

PetSmart Release Form

By signing this form, I hereby give a Pets Bring Joy representative permission to submit and sign a PetSmart Release Form electronically on my behalf on the East Fairfax PetSmart store's internal iPad, based on information taken from my foster/adoption contract as executed with Pets Bring Joy.

I'm choosing this option versus coming into the store to submit and sign the form personally on the store's iPad in order to limit my exposure during the Covid-19 pandemic.

By signing this form, I acknowledge the terms shown below, and also agree to receive a confirmation of my adoption by email. I may also receive future updates, offers, and deals via email, which I understand that I can opt out of at any time.

Adoption Program

Thank you for choosing to adopt a pet. PetSmart and PetSmart Charities supports the adoption process by donating in-store space for use by qualified, pre-approved animal welfare organizations. **These organizations are not affiliated with PetSmart or PetSmart Charities in any way. We cannot, and do not, guarantee the health of any of the pets available for adoption.**

Your Pet's History

The animals available for adoption through the Adoption Program often come from a shelter environment and little is known about their past. Each participating animal welfare organization is concerned about the health of the animals in its care. These organizations exercise due caution to prevent disease transmission. Because health care procedures can vary by agency, please request detailed information regarding the health care administered to animals in the adoption organization's care.

Any questions regarding your pet's health should be directed to the adoption group. In addition, we strongly encourage a quarantine period for newly adopted pets. During this period, your new pet should be housed separately from other pets in the home. This will let the pet adapt to the new environment and allow monitoring for any possible signs of disease or aggression.

Your Pet's Current Health and Follow-Up Health Care

It's imperative that you make an appointment for your new pet with a veterinarian as soon as possible. The veterinarian can check your pet's health and give you valuable information regarding warning signs of illness. With any new pet, it's possible they may have been exposed to diseases that may not show symptoms for several weeks. Some of these diseases may be transmittable to other pets in your household and even to people. **Veterinary fees incurred (such as diagnostics, vaccines, and/or medications) are the responsibility of the pet owner.**

Privacy Policy

For details about how we use your information (including with respect to our use of service providers located inside and outside of Canada), see our privacy policy at petsmart.com or contact our Privacy Officer at the contact information below. Unless you opt-out, we may: (1) send you information and special offers by mail or e-mail regarding products or services that may be of interest to you; and/or (2) share your personal information with third-parties so they may contact you by mail and e-mail for their own marketing purposes. To opt-out call 888-936-9638 or email CustomerCare@petsmart.com
